### 19th Century European Art

More than 60 of these paintings are currently on view in Treasures of British Art: The Berger Collection.

### 19th Century European Paintings Auction Department

With the widespread death and destruction of the greatest war the world had ever seen, art increasingly became a means for escapism, a way to abstract life and escape the difficulties of the human condition. The artist may use a variety of techniques to affect the outcome.

### European and American Art Before 1900

But only in October 1994 did the Hermitage officially announce that it had secretly been holding a major trove of French and paintings from German private collections. The gallery known as the Raphael Loggias, designed by and painted by and his workshop in the 1780s as a replication of the loggia in the in Rome frescoed by Raphael, runs along the eastern facade.

### European Art in the Early 20th Century

This resulted in the formation of a separate modern and contemporary department, now caring for artworks created after 1945, while a newly formed painting and sculpture department was charged with stewarding European and American art, from Antiquities to collections created prior to 1945. Initially the Constructivists worked on three-dimensional constructions as a means of participating in industry.

### European Art in the Early 20th Century

The movement revolutionized European painting and sculpture and inspired related movements in music, literature, and architecture.

### European and American Art Before 1900
