Male? Female? Gender confusion in classical poetry (waka)

Where there is literary writing, there is creation and thus construction even in the most realist or autobiographical of texts. Motoyoshi shinnō shū zenchūshaku Ōchō bungaku no honshitsu to hen'yō Ono no komachi tsuiseki Shin nihon koten bungaku taikai.

The extraordinary growth of literature written by women during the Heian period is sometimes attributed to their using the vernacular while men composed in Chinese. If just one credit had to be given to gender studies — sadly ignored by the literary studies I consulted even those that claim to be part of this current, it is to have finally separated biological sex from gender. As was the case of the Sugawara and Ōe families, for example.

関根慶子 1909

Screens, Paintings, and Poetry in Classical Japan ca. I break the sentence only if the original poem breaks the sentence. It should also be pointed out that although Chinese was at that time the language of government and official texts, the language written by civil servants had little in common with the literary language in fact, in most cases it consisted of Japanese written exclusively with Chinese characters.

Shunzei seems to have been troubled shocked? The first complete commentary on the GSS. I am grateful to my friend Yoshino Kazuko for having brought this poem to my attention.

Chapter 3 Amida Buddhism & secular art

I have reproduced the numbering used in my reference edition, Ise shū zenshaku.

Shikishi Princess, daughter of Goshirakawa, Emperor of Japan

Note that the idea of the emperor wanting to show his tears to the deceased came from Ise.

Chapter 3 Amida Buddhism & secular art

However, the result is not entirely satisfactory as in each of her papers Kondō Miyuki limits herself to examining one single piece of work. In addition to their obvious literary merit at least in the original, these poems are remarkable for their intertextual references.
