Bead Mill Homogenizers Bead mills, also known as bead beaters are typically used for the lysis laboratory samples that are very difficult to disrupt with standard mechanical homogenizers. A year later another California property, which was franchised by Omni, failed as a result of bad dealings by the owner that were outside of Omni's control. Omni bought Time Warner's share of the building in 2017.

OMNI INTERNATIONAL

In 1976, Aer Lingus, an Irish airline company, purchased Dunfey Hotels from Aetna. A year later another California property, which was franchised by Omni, failed as a result of bad dealings by the owner that were outside of Omni's control. Still under the management of the Dunfey brothers, that property was renovated and its profitability improved.
