New York State Community Health Indicator Reports (CHIRS)

This pandemic and the response to it are constantly evolving. Call toll free 1-888-328-6399 or on the Internet Your call will be answered by an automated system. How Safe Is Your Home? Vision Broome County will be distinguished as a community that maximizes the opportunity for all people to take responsibility for their own well-being and achieve their optimal quality of life.

Mental Health Departments

The current total of laboratory confirmed positive COVID-19 cases received in. It has been proven to reduce cavities by up to 40%! There is 1 Health Department per 98,062 people, and 1 Health Department per 352 square miles. Not all vital records offices offer a comprehensive range of dates.

Health Department

We know we wanted a big space and enough room to be all spaced out, but also a space people could find and that was right here in our community.
