## Indian census rolls, 1885

All National Archives facilities provide free on-site access to Ancestry.

## US Indian Census Rolls 1885

In the index to part one, personal information such as relationships to other enumerated Shawnees has been added beside some of the names. A few of the censuses show the names of persons who were born or died during the year, along with date of birth and death. Records of the Bureau of the Census Record Group 29 Though the United States first started taking a national census in 1790, New Mexico did not appear until the 1850 census 7th.

## **Indian Census Rolls**

At the end of roll 1 of the 1857 census is a census of Shawnee Indians in Kansas Territory, taken in conjunction with the treaty made with the tribe on May 10, 1854. It is worth the extra time to consult the agency copy and the copy that was sent to the bureau in Washington, D. Censuses of American Indians An enumerator right conducts the 1990 census in New Mexico on horseback.
