## Assertiveness Games and Activities

To ensure your message is communicated clearly, stick to the essential facts. Commitment to stay in the communication process. This documentation is not only a legal requirement, it is also an invaluable tool for ensuring that staff are clearly aware of their rights and responsibilities.

## Conflict Resolution, Assertiveness and Self Confidence Training Course

Have them write out a summary of the scenario, plus their assertive response.

## Social Emotional Workshop

What if the consequence was severe? This is a competitive negotiation skill practice activity that has several other learning outcomes like how teams in an organization are responsible for creating the climate and culture and how the actions of one team can affect other teams. I was planning some team-building activities to incorporate into our Business Skills series.

## Conflict training Icebreakers, energisers and short exercises

Sexually explicit, graphically violent or racially inappropriate web sites open to view by co-workers may be used to support claims of discriminatory behaviour or a hostile work environment. There are some conflict situations when you should collaborate with others and there are some times when you should not collaborate. In fact, the non-verbal is often the strongest part of the message.

## Training Games for Assertiveness and Conflict Resolution: 50 Ready

I have used this a couple of times now and think its fab. Group Size: This module can be used with groups of up to 20 participants.
