### Lengthy Restoration of a Gothic Revival Cottage

Tintern Abbey Wales During the 13th and 14th centuries, monasteries grew in size and importance until they were very powerful forces within the society wielding immense fortunes and huge tracts of land. To Pugin, Gothic architecture was infused with the Christian values that had been supplanted by and were being destroyed by.

### The Gothic Revival

To the Revolutionaries at the end of the 18th century, Gothic architecture seemed a symbol of the vested power of the aristocracy and the church, and many buildings were wantonly destroyed.

### An Overview of Gothic Revival Architecture

In 1755 Frederick II the Great of Prussia himself designed the Nauener Gate in Potsdam, and in 1768 Prince Franz of Anhalt-Dessau laid out his park in the Picturesque manner and scattered it, in the years that followed, with Gothic hermitages and ruins. Mary Magdalene, Picton, 1834 The first churches in Ontario were small, box shaped, with either square or round windows.

### Gothic Revival House Plans

Most of the churches built during the Gothic period are still standing. The Gothic Revival was an architectural movement which began in the 1740s in England.

### Gothic Revival Term Papers on the Architectural Style of the 1740s

Their ideas ultimately led to the Arts and Crafts movement.
