The victory made Randolph the leading black figure in the labor movement. He also became a critic of the black power movement, which he believed was programmatically bankrupt. It is a crisis of minority groups.

### A. Philip Randolph (1990 edition)

Truman Library and Museum, anonymous Army staff officers told the press that the order didn't mean the service would be forced to integrate its units. The postwar reaction limited the possibilities of working-class organization, but after a few false starts, Randolph in 1925 became general organizer of the Brotherhood of Sleeping Car Porters. His associations with socialists and the continuing urbanization of the black population strengthened his working-class orientation.
