I stared at my phone, hoping for the gray bubbles of a pending response. He and I were sitting in our minivan outside of the hospital. Experience of Antarctic or Arctic waters was almost entirely lacking within the 50-strong party and there was very little special training in equipment or techniques before the ship set sail.

Euclid and His Modern Rivals by Charles L. Dodgson, Paperback

It seemed wrong to visit at such a vulnerable time. I never could quite see the reasonableness of this immemorial law: subjects there are, no doubt, which are in their essence too serious to admit of any lightness of treatment—but I cannot recognise Geometry as one of them.
