It has been rumored that Erich Kästner's natural father was the family's Jewish doctor, Emil Zimmermann 1864—1953 , but these rumors have never been substantiated.

### The Blue Angel

And yet the film describes him as a fellow traveller, a supporter of the Nazi armament campaign and a rather helpless rebel against it. Einer in der Mitte gluckste wie ein Neger! Ralphs working life has been devoted to education and supervision in colleges and high schools.

### Erich Kästner

Nothing about his countrymen enraged him more than obsequiousness toward the British. With an unbroken publication record since 1905, The Modern Language Review MLR is one of the best known modern-language journals in the world and has a reputation for scholarly distinction and critical excellence. Others, such as , published under May's name.

### Karl May

The context supports this image, however.

### The Role of the Man in a Modern Woman's Life

Why then does Lola Lola not like it? This society which revered the external materialism of the nation rather than the internal spirit of the human being , this society which placed order and organization above human compassion , this society which paid obeisance to the uniform.
