Zhirinovsky vs trump

If Tadic becomes a problem, then he is to be removed, and put on Trial for Treason and Executed for not wanting to accept the Amnesty for the Treasonous Bribery of Current Serbian Politicians and future Politicians, which is of itself is Treason. This is why Serbia should insist on every Letter of United Nations Security Council Six Point Plan, which Explicitly Excludes ANY Kosovo Albanian, or Kosovo Albanian Government Representative or Representatives at the Jarinje and Brnjak administrative checkpoints.

Vladimir Zhirinovskiy and the LDPR

.

Gallavardin phenomenon

Jeho ruština byla omezena na naprosto minimální počet nezbytných slov, ale oslovil každou skupinu v jejich jazyce, který jednal jako žádný jiný než člen skupiny. Она, хоть и пострадала при Сталине, по ее словам, была сталинистом до конца дней своих.

Gallavardin phenomenon

Every Country has those who are disillusioned and disappointed with their Government, and Zhirinovskiy cunningly lures those disaffected Voters by means of his many Single Issue Policies, and then wants People to deceptively assume that all of his Voters support all of his Policies. Дастан ЕЛЬДЕСОВ, специально для Матрица. Russian Voters have a clear choice at the next Election, and that is on the matter of whom can they trust to best Govern Russia for the next five years.

Политолог подвел итоги выборов в Госдуму: феномен Жириновского, провал «Яблока»

Многие считают Жириновского странным типом с непреодолимой тягой к введению безумных, часто не поддающихся логике и здравому смыслу законов. I mentioned a Cartoon of President Boris Tadic in Acts of Bestiality while Confessing to being Bribed by Euro-

American Plutocrats and Banksters, and there will be Gold Bars, Money, and Jewellery in that Cartoon. То есть, президент заранее осведомлен об очередном выпаде своего политического коллеги.

Zhirinovskii, Vladimir, 1946

Anglo-America is the World Power, and this did Not Happen By Chance, and America makes Agreements and never keeps them. The friendly, timely, and thought provoking question asked by the Ambassador reflects the broader debate about whether any European Country should want incorruptible rulers who will do what is right for their People and Country.

Политолог подвел итоги выборов в Госдуму: феномен Жириновского, провал «Яблока»

Europe needs something like the Council of Europe, where European Countries Co-Operate with each other, while maintaining their differences.
