Using the small presentation studio at their Broad Street studios - which had become available since in-vision continuity for the Central region was dropped - former Central announcer Gary Terzza and Debbie Shore presented live links from a large set built to look like a transmitting station. When we resolved to actually publish the book ourselves, we found that we could build our virtual team from resources and platforms all around the world because of the free access to technology. Jenkins is a master storyteller, mother and grandmother, and lives in Aspen, Colorado with her husband, Jim.

### **Harry The Hamster Game**

By September 2004, ITV plc announced the closure of its presentation and transmission facilities in Birmingham, signalling the end of CITV continuity from Central. Whereas Central had restricted links to the station's former in-vision presentation studio, Stonewall chose not to use a fixed set, but instead presented links from various areas of Central's headquarters at Broad Street in Birmingham, utilising a rotating team of presenters which included Clive Warren now a DJ , Jeanne Downs a singer , Jerry Foulkes a producer who left Children's ITV on 22 December 1989 and a large puppet dog called Scally. Alice in Wonderland, but less creepy and somehow weirder in a good way.

### **The Adventures of Rover and Harry**

The chapters are short, the art is lovely, and Roz and the animals are all doing their best to care for each other.
