Catherine is currently Professor of Music at Wilmington College.

## The choral music of twentieth

Earning solid reputations in Britain through their varying compositional styles, their music has revealed them to be substantial, prolific composers who are representative of major trends in twentieth-century British choral composition. In January 2006, Roma's first book *The Choral Music of Twentieth-Century Women Composers: Elisabeth Lutyens, Elizabeth Maconchy, and Thea Musgrave*, was published by Scarecrow Press.

## Print Resources

The content of the publication highlights concerns of general interest and reflects the work of the music and higher education community in all areas of music. Earning solid reputations in Britain through their varying compositional styles, their music has revealed them to be substantial, prolific composers who are representative of major trends in twentieth-century British choral composition.

## The choral music of twentieth

Melamed; Bach: The Mass in B Minor by George B. First, the journal presents articles that have a narrow individual focus but which collectively represent the breadth of the spectrum of specialized interests throughout the music field.

## Print Resources

## **Catherine Roma Biography**
