## Masters dissertations

It is, perhaps, the intensity of the need to secure their successful functioning, and the directly harmful effects of failing to do so that sets these listed buildings apart from other categories. Business interests have already approached the Fair Work Commission seeking to lay off workers, abolish penalty rates, and force workers to take annual leave or unpaid leave. Chunks of cladding spall away as the rods rust.

## Latest News

The format of the listed building record has changed over time.

## The Bronx's Lambert Houses and the Two Sides of Preservation

Adequate resourcing of hospitals and the health system is imperative too! There are also objections about loss of heritage character, damage to the Conservation Area locality, and loss of assets such as trees, and corner shops from architects and heritage organisations.

Box 145, Glebe NSW 2037 Ring Denis on 0418 290 663 or Emily on 0424 234 448 E: glebegrapevine gmail.

## Hands Off Glebe

They have nowhere safe to isolate themselves, often suffer a range of pre-existing medical problems and have limited access to good food and hygiene. Built by nonprofit affordable housing developer Phipps Houses which still owns and operates Lambert today and designed by Davis, Brody and Associates now Davis Brody Bond, the cluster of low-rise, six-story buildings was celebrated for its architectural design and sensitivity to its West Farms neighborhood. Residents were strongly 60% against any loss of green space and the loss of any trees.

**Heritage attributes of post**

If the new buildings are not going to be low income, then we have to start talking about less low income housing in The Bronx, In all my years living at Lambert Houses I was so happy. This can be done without impacting the grant Plus Dane need to develop the site, and without reducing the number of new homes, their size, or the off road parking facilities. It contributes to progress, creating jobs and new infrastructure and cutting down on calls on other services.

**Heritage attributes of post**

In many countries today funds are invested in public housing in support of, economic stability, and. We hope that the Bays Precinct will indeed become a place that contributes to healthy, prosperous and resilient lifestyles.
