At any given time, there are approximately 250 clients actively participating in the SOTAP between the four prison sites. Financial obligations: Offenders may be required to pay restitution, supervision, child support and all other financial obligations. However, in a series of studies conducted in the late 1970s and early 1980s that featured retrospective sexual history interviews with adult sexual offenders, many adults reported they began their sexual offending during adolescence.

### Sex Offenders

Rules in the Community Sex offenders who are releasing from confinement with required Department of Corrections DOC supervision may be supervised in the community under strict rules designed to protect their victims, vulnerable people, the general public and the offender.

### Sex Offender Management

While recidivism has long been a concern of criminal justice practitioners and policymakers, it has received renewed attention in recent years due to the record number of convicted offenders living in our communities.

### Staff View: Characteristics and management of committed sexual offenders in the State of Washington

Treatment: Many offenders must obtain psycho-sexual evaluations and treatment from state-certified sexual deviancy counselors.

### Sex Offender Treatment and Assessment

While inconsistent research findings and measurement shortcomings no doubt have contributed to the ongoing controversy, a body of scientific evidence has emerged in recent years suggesting that therapeutic interventions for juveniles who sexually offend can and do work. Data about sex offenders were collected, as reported by mental health professionals who treat them and focused on three characteristics: maladaptive

interpersonal behaviors. These sexual offenders suffer from a variety of mental illnesses.

### **Sex Offender Treatment and Assessment**

Self-Regulation is an important element of treatment which affords the participant opportunities to learn about and practice interventions to more effectively and pro-socially meet their needs. The registry lists personal information about Washington sex offenders to help protect the public.

### **Sex Offender Management**

Washington state sex offender laws apply to juvenile as well as adult sex offenders.
