. In many ways, I find the emotion muted rather than intensified. .

### Travel Book

He eventually becomes a beloved member of her family. As it is, I'm having trouble getting across in the review how much I loved this book, how much I wish everyone would read it.

**Review: Distant by Wendell Berry**

He evokes a simpler time when the relationships with the land, family, and neighbors were paramount. Each of the three books in the trilogy contains messages about discrimination based on gender and race.
