Community Base Service

This program offers full-day respite for kids age 6-21. Respite enables caregivers to complete chores, shopping, enjoy a leisurely afternoon, or some special time with another family member. In partnership with ACL and HHS' Office of the National Coordinator for Health Information Technology ONC , Mission Analytics hosted a webinar on August 5, 2020 on supported employment services in the COVID-19 era.

Community Based Employment

Several Councils support Project Search, which provides internship opportunities for individuals with developmental disabilities.

Opportunities for Inclusion

Reservations must be made in advance.

Community Base Service

Securing and maintaining employment helps many people to achieve independence in their communities, but there are often barriers to accessing meaningful and integrated employment. Our program provides real work, wages and personalized care as a mechanism for participants to live independent and productive lives.

Employment

Group members also learn to put forth topical areas they want to discuss. Through Project FAME, participants perform volunteer services in their communities to build meaningful relationships with store owners, local senior citizens, and outreach agencies and participate as valued members of the community.
