### Religious and Moral Education and Collective Worship

This is a comprehensive Programme for Primary PSHE including statutory Relationships and Health Education. Our curriculum is new and has been in the design process for a couple of years. James Hatcham CE School is based on a Christian foundation and as such, Christianity forms the basis for most of the teaching of R.

### Subjects

The children go out in all weathers, in all of the seasons. The week also involves workshops, visits from published authors and book fairs.

### Religious and Moral Education and Collective Worship

Teachers plan for guided reading based on our reading curriculum document — with a focus on decoding, comprehension, themes, patterns and viewpoints. At Kelvin Grove we offer a range of extra-curricular opportunities for children to expand and further develop their skills in Art. We ensure book corners are well-stocked with relevant, high quality literature from a range of authors.

### R.E Curriculum

Personal, Social, Health and Economics Education At Kelvin Grove, our personal, social, health and economic education PSHE curriculum brings together healthy relationships, social responsibility and personal well-being, whilst promoting fundamental British values. The syllabus can be found here: Forest School Throughout their first and second year at school your child will have the opportunity to attend a series of regular Forest School sessions delivered by a qualified Forest School Leader.

### RE

They will also need to ensure that all relevant staff members and other stakeholders receive appropriate training in aspects of the new syllabus and Religious Education in general.

## **Religious and Moral Education and Collective Worship**

As part of our Wider Opportunities programme every child in Year 4 learns to play the ukulele; in Year 5 they have whole-class African drumming sessions led by our specialist visiting African Drumming teacher, and in Year 6 they learn the guitar. These documents show the week by week teaching of phonics in Reception, and KS1: At Kelvin Grove, we are dedicated to developing and maintaining a positive and enthused reading culture for our pupils. All activities are designed to be enjoyable, vigorous, purposeful and regular, to give children the maximum benefit.

## **Subjects**

As a school we aim, through our RE curriculum, to educate about and celebrate this diversity and offer a welcoming and inclusive environment for all our pupils.

## **Religious Education**

We are not a faith school, but we value our children's moral and spiritual development. In year 4 pupils consider Would you rather have been a royal, a rebel or a rogue in the 15th Century? For further information on the Southwark Diocesan Board of Education RE syllabus and Collective Worship please visit their.
