If it had happened anywhere else, Hain would have been run out of public life.

**International Monetary Fund (IMF)**

There has been a relative decline in the share of the Americas though the United States remains the dominant economy and Western Europe. The ten horns are ten kings who receive their kingdom from the beast, who receives its authority from the dragon - Satan. Such reactions can endanger the life of the person perceived to have inflicted the loss, whether or not that person would be found legally responsible by a court.
