## Books Worth Reading

Adjustments of the school and home environment to the child's needs may also help. This book is perfect for regular people: comprehensive, well written in a conversational style, and hits all the important points. The Truth About the Drug Companies: How They Deceive Us and What to Do About It.

## ADHD

Children develop in the context of their family systems; families provide a base of support for each child's development.

## ADHD

A Comprehensive Guide to Attention Deficit Disorder in Adults: Research, Diagnosis, and Treatment.

## Dyspraxia: A Guide for Teachers and Parents [Resource Materials for Teachers]

This is a good book for single fathers. This is a very concise book organized in almost outline form.

## Dyspraxia: A Guide for Teachers and Parents [Resource Materials for Teachers]

Make the time to read both.
