Guidance for P

This guidance applies to outdoor operations of sporting event venues like stadiums and racetracks.

COVID

Any advice or rules on staying safe do not prevent anyone from acting to keep themselves safe from domestic abuse, including leaving home. At community prevalences of 1%, 3% and 5%, the post-quarantine transmission risk at Day 7 of quarantine were 0.

Guidance Materials

CDC recognizes that any quarantine shorter than 14 days balances reduced burden against a small possibility of increasing the spread of the virus.

EPA Guidance Documents

Businesses which provide essential services can continue to operate, such as those in the , courts and tribunals.

EPA Guidance Documents

Estimated residual post-quarantine transmission risk... Planned day after which quarantine is completed and can be discontinued Residual post-quarantine transmission risk % with and without diagnostic testing of a specimen within 48 hours before time of planned discontinuation of quarantine No testing RT-PCR testing Antigen testing Median Range Median Range Median Range 7 10.

Options to Reduce Quarantine for Contacts of Persons with SARS

The presence of any symptoms would lead to diagnostic testing and management as infected if the test result were positive. Your sick leave policies need to support that. However, a 14-day quarantine can impose personal burdens that may affect physical and mental health as well as cause economic hardship that may reduce compliance.

Endpoint Security, Incident Response and Digital Forensics

Although you can comment on any guidance at any time see , to ensure that the Agency considers your comment on a draft guidance that is open for comments before it begins work on the final version of the guidance, submit either electronic or written comments by the closing date. New and revised questions are highlighted in this document.

Coronavirus (COVID

Bars, breweries, and distilleries Follow this that do not serve meals to support a safe, clean environment for workers and customers. Follow the to minimize the spread of COVID-19. Shopping If you, your child or someone you care for is on the shielding list, you can sign up for priority access to supermarket online delivery slots.
