**The Moody Handbook of Messianic Prophecy: Studies and Expositions of the Messiah in the Hebrew Bible: Edited By: Michael Rydelnik, Edwin Blum: 9780802409638**

Missionary Standards for Disciples of Jesus Christ features artwork of Jesus Christ on the cover and several inside pages. He urges new communities to work-out leadership structures, to thoughtfully navigate careers and schedules and advises new communities to connect with other more established communities. Monasticism was developed as a way of providing community, usually for celibate men and women who lived in separate communities.

### Church Releases New Missionary Handbook

We lived in community with three other couples and invested in our neighborhood there. The lens of intentional Christian community works, as in Bonhoeffer's Life Together, as a clarifier, a purifier that shows up the real meat of discipleship in a wonderful way.

### Following Jesus by Andrew M. Randall

If you want to understand the mission of the church, and true discipleship, you need to read this book. Also included with the handbook is supplemental information that provides more details on things like using technology, physical and mental health concerns, difficult or negative situations and leadership responsibilities for young missionaries. Besides his work on the Moody Bible Commentary as Co-Editor and contributor, Michael is also the author of numerous books and articles and his doctoral research focused on the Messiah in the Hebrew Bible.

Part three examines considerations which precede community formation.

## **DISCIPLESHIP HANDBOOK A RESOURCE FOR SEVENTHDAY ADVENTIST CHURCH MEMBERS**

The Church of Jesus Christ believes in ongoing revelation to prophets and apostles. Each of the chapters take up one of the real aspects of discipleship and probe the challenges and joys with hands-on, how-to counsel. He takes issue with the modern idea of watered-down, milquetoast community.
