The great crusade : a new complete history of the Second World War (Book, 2008) [quizapp.evertonfc.com]

It's not going to be a picnic.

History of the Second World War Podcast

The Nazis were slower than the Allies to replace downed aircraft they had less experience with high-volume manufacturing ; they were also slower to replace fallen pilots their aircraft were harder to operate. Meticulously researched and masterfully written, The Storm of War gives a dramatic account of this momentous event and shows in remarkable detail why the war took the course it did.

The Storm of War: A New History of the Second World War by Andrew Roberts

The war was in many respects a continuation, after an uneasy 20-year , of the disputes left unsettled by. She has come and got them.

A New History of the Second World War

Another type of detail he rightly forgoes is anything tangential to his purpose, which is an explication of the military course of the Second World War.
