### Merlin (TV)

Inprisonment by Morgana Being rescued from dungeons. While Vaelin is out of the room, Gallis stabs one of the guards, and holds a blade to Sherin's throat.

### Harsh Weather Expected For Bay Area

Air Force aircraft conduct test flights above 10,000 feet is under study.

### Vaelin Al Sorna

Arthur plans to return Merlin to Camelot so that Gaius would cure him, but Sir Leon and Lancelot express the need to continue the their quest before more are killed by the Dorocha. In East Germany, protests against the government were countered by threats of violence from its leader, Erich Honecker served 1971—1989. Lt-General , commander of the USAAF Eighth Air Force, objected to this tactic, but he was overruled by the USAAF commander, General , who was supported by the Allied commander General.

### Merlin

His voice is harsh and rasping, coarsened by years of shouting above the battlefield. Morgana's Birthday After being shot by bandits and later healed by , Arthur returns from the Valley of Kings with Merlin, who, unbeknownst to Arthur, have seen a vision of Morgana killing the king in the Crystal Cave with a bejewelled dagger. The two quickly became friends, and though Gwaine must have guessed that the Euchdag was a creature of magic, he never displayed any distrust or hostility toward it.
