Frustrations will have increased since expectations of greater freedom were probably raised then dashed under the subsequent rule of Parliamentary officials that did little to change the stagnating infrastructure and primitive rights of feudal Man.

## Odell

No Paris edition appears to be known, and the contraction p might in this place represent parvus. Agnes Moulgrove famula Magistri Thomae Stone. This would show a major decrease in population, however, records are often incomplete - some 100 years later in 1796 Hearth Tax returns show a number of inhabited houses as only 35.

## TimeLine

A large door opens from the Hall into the School- house Quadrangle.
