Treasure's Jewelers: Best Jewelry Store in Maryville, TN

Congratulations to Captain Tim and the entire Magruder crew. They presented me with ideas and suggestions and were patient and kind as I evaluated the choices. We found the one and then customize almost the entire ring.

Mel Fisher's Treasures

Maybe you've found a dress you love, but something about your favorite earrings don't quite seem to mix. Treasures offers a large selection of unique diamond jewelry and is one of the most prominent and respected custom design centers in the midwest. Thousands of artifacts, silver coins, gold coins, many in near mint condition, period and earlier amazing Spanish objects and wares, exquisite jewelry set with precious stones, gold chains, a variety of armaments and even seeds which later sprouted! Each piece is unique and beautiful.

Heavenly Treasures: Fine Jewelry for Men and Women

Also if you give them your precious family heirloom stones, like I did, you get them back. My daughter is very artistic and had a vision in her mind of the perfect piece of jewelry. Online jewelry purchases and chain stores just can't compete with the quality, and can you really trust that the gem you purchase is not a well-designed fake? However, we take our reputation seriously.

Monmouth County's #1 Fine Jeweler

Need a 2 carat solitaire? Bottom line - SHOP HERE - personally I will never shop with another jeweler again. Voted Monmouth County's 1 Fine Jeweler for 20 Consecutive Years! I certainly am not willing to chance it, I am shopping with people I trust.
