I wondered around the block onto a different section of Barrack Street I was becoming spatially disorientated.

## Navajo Pottery

Legislation was passed in the mid-nineteenth century limiting the working hours for women and children but it was not until the beginning of the twentieth century that Welsh women began to demand more civil rights. The symbols on all three panels were limited to areas of smooth bedrock enclosed by glacial striations, with only the best areas for carving having been selected.

## Culture of Algeria

As world cultures have come into greater contact, their indigenous musical styles have often merged into new styles. In the complex symbolic system of Hinduism and Buddhism, the bindu dot represents the male force.
