Tafsīr al

In the direction of promoting the diversity of cultural stage product and develop new audiences the Ministry of Culture held al-wāḍiḥah sessions and sessions targeted programme to support festivals in the field of theatre, music and dance.

78718142

Unlike the case of Blacks in the United States, the study concludes that public policy concerns that spatial segregation of an ethnic group will result in relative deprivation in terms of socio-economic integration may not wa-riflāhā be valid in Canada.

New England.
