Marxism

Contrary to the off-repeated slanders, the

Stalinist regime was the antithesis of the democratic regime established by the Bolsheviks in 1917.

Marxism

No wonder that Marx advises the Russians to be in less of a hurry to make the leap into capitalism.

Russian

This book explains the whole process in great detail, and shows how in the period after 1965 the growth rate of the Soviet economy began to slow down. There it took the form — as if it went without saying — of an assault aimed to bring about the fall of tsarist despotism, to attain intellectual and political freedom of action for the nation. This was graphically expressed by a sharp fall in the rate of growth in the USSR, which declined continually throughout the 1970s, approaching zero under Brezhnev.

The Russian marxists & the origins of bolshevism [Texte imprimé] : Haimson, Léopold H. (1927

But despite its successes, Stalinism did not solve the problems of society. At the same time, under Soviet plans, Moscow was supposed to become the head of the global communist movement, which eventually became the USSR's main sticking point in relations with other communist states, including China and Yugoslavia. Let us take an example.

What the Russian Revolution achieved and why it degenerated

Moscow, People's Friendship University of Russia, 2005. .

In Russia, however, we find by the side of the capitalist order which is developing with feverish haste and by the side of bourgeois landed property which is as yet in the process of formation, the larger half of the land owned by the peasants in common. Nor was the whole of the revolutionary Marxian theory represented by other currents which during that period sought to combine in one form or another a recognition of the transitory necessity of capitalist development in Russia with an anticipated ultimate struggle against the future conditions of society which were to be created by that very development.
