Morals

Veterans' perspectives on the psychosocial impact of killing in war. In fact, many ethicists consider the terms to be interchangeable.

Moral

If you have a strong moral character, you are a good member of society.

Moral Injury

But a list of things we personally find to be good doesn't offer much help in understanding morality, or what it means to be good. Having moral injury in addition to PTSD is associated with greater PTSD and depression symptom severity and greater likelihood of suicidal intent and behaviors 12,15,16.

Moral Definition & Meaning

However, other morals can often be taken from the story itself; for instance, that arrogance or overconfidence in one's abilities may lead to failure or the loss of an event, race, or contest.

What does moral mean?

American Journal of Bioethics, 16 12 , 2-9.

moral

It may be that understanding someone is more complex than liking and respecting, and is affected by a wider variety of personality, behavioral, or relational qualities. Whether you're acting on your personal values, following your moral code or obeying ethical rules, it's important to know what to do next.
