Noting that women workers on average only have about 70% of the average salary of men in the contemporary U. Marilyn Porter Memorial University of Newfoundland.

## The Feminist Perspective

Private patriarchy as a form is marked by excluding women from economic and political power while public patriarchy works by segregating women. I am left wondering whether the concept of 'class' is now so muddy, we should abandon it or at least leave it in quotation marks, and whether the word 'class' obscures more than it illuminates.

## Feminist theory, habitus, and social class: Disrupting notions of classlessness

And female job candidates are frequently subjected to during the hiring process, and have lower chances of landing the work they deserve. Journal of Teacher Education, 58 1, 21—35.

## Class Matters : Pat Mahony : 9780748405404

In fact virtually all of the 16 contributors and two editors share a common experience of being academically bright children, of passing the 11+ which dates and places them, of tangling with the class contaminated opportunities that offered, and of eventually, and by various routes, ending up in some part of the UK Higher Education system. She cares deeply about her students but is unknowingly and biased for a middle-class upbringing like her own.
