Playing Formats

A Strategic Flood Risk Assessment also accompanies the new Plan.

Limerick 2030

Gateway and landmark buildings will be expected to provide visual interest and create a stimulating streetscape. Ashford Town Plan - - Variation No. LTT will now, in conjunction with Limerick City and County Council, embark on the creation of a detailed masterplan that maximises land-use at the site and provides for a new level of high-quality urban residential development to cater for the needs of a fast-growing dynamic city and county.

Limerick 2030

We urgently need a profound rethinking of the way catechesis is. The project will be developed in parallel with the commercial sites already being advanced by LTT, which is tasked with planning and developing key strategic sites in Limerick City and County that will act as anchors for enterprise and investment locally.

Limerick environs development plans

Objectives: It is an objective of the Council to: DO 1: Ensure the highest quality of public realm and urban design principles are applied to all new developments.
