**History of the papacy**

According to Church tradition, it was under Nero's persecution that the saints and became in. Why was it important for Onesimus to return to Philemon? For they neither inhabit cities of their own, nor employ a peculiar form of speech, nor lead a life which is marked out by any singularity. As late as the second half of the second century, Tatian—a disciple of Justin Martyr—fell away to gnosticism, and Irenaeus had to rescue a Roman bishop from gnostic Valentinian influence.
