Remembering Rev. Richard Deats, a life

Fasting is a potent weapon in the Satyagraha armoury. Most significantly, he began offering workshops on nonviolence at the University of the Philippines in the early 1980s.

Will peace be the answer for that? To sustain the movement with a people who were not committed to nonviolence as King was committed meant results had to be forthcoming. In order to legitimize and actualize global peace, based on the value of nonviolence, social and political institutions, ethical norms, economic forms of production and distribution, and legal rules have to be applied equitably and uniformly across the globe.

Most individuals and cultures are now subjected to the advantages and stresses of an increasingly rationalized, interconnected and disenchanted world. Many issues I had not cleared up intellectually concerning nonviolence were now solved in the sphere of practical action. In the 1970s, Deats traveled to South Korea during the military dictatorship of Park Chung-Hee.

Joan Baez They have as it were two hands upon him — the one calming him, making him ask questions, as the other makes him move. Our vocabulary for action must extend beyond war and weapons, violence and vehemence. But King's understanding of nonviolence was formed in the midst of struggle for justice, which required him to draw on the resources of the African-American church.
