Ten thousand new congregations. Will they save the Church of England?

In the 21 st century, the Church is facing an existential crisis the likes of which has, arguably, not been seen since the Protestant Reformation of the 16 th century. I left the c of e in my twenties for this newfrontiers - attracted by its energy and belonging and rejoined the c of e in my late 30s broken and hurt — craving the safety of trained leadership and oversight not appointed through nepotism and patronage. Then everybody stood and repeated the.

Ten thousand new congregations. Will they save the Church of England?

Or is it bad, becasue a body twitching suggests that death might be imminent? In some cases, this situation will be downright dangerous.

The Parson's Handbook

By 1535, of 8,838 rectories in England, 3,307 had thus been appropriated with vicarages; but at this late date, a small sub-set of vicarages in monastic ownership were not being served by beneficed clergy at all.

Ten thousand new congregations. Will they save the Church of England?

I can see the rationale behind lay led at home churches. It challenges old and traditional views of a familiar story and makes the reader question its meaning.

A Country Parson's Life ~ Random Bits of Fascination

He was basing his observations on work that was done with groups of shellshocked soldiers in the Second World War. Over a period of around three years, the group grew into a full-size congregation. Maybe it's because Welby, an Etonian, didn't want his clergy to seem somehow elitist by, you know, saying worship rituals in their churches when everyone else is at home.

The Great Awakening

Historically in England, however, it was an official designation for a salaried priest in charge of a parish. Here at the Compound we're pleased to present a sample of these beasts from the Sceptered Isle. In other places, the parson, the vicar and the erenagh shared the costs of church repairs equally between them.
