Streetman & Banerjee, Solid State Electronic Devices, 7th Edition

The novel progresses in a semi-linear fashion, moving between families and generations as we see connections made at unexpected levels. The story weaves through multiple generations, with each chapter focusing on a single member of the family.

Take it From a Widow: Friendship and Grief Don't Always Mix

Students are brought to a level of understanding that will enable them to read much of the current literature on new devices and applications.

Permanent Drift by John Waller — Kickstarter

The main sections are sandwiched between two smaller chapters introduce and conclude and are interspersed with a chorus and to explain more would be a spoiler, but it is unique and poetic. It does this by exploring families that connected time and time again over a century plus.

Despite what you may think, some friends will leave you when you need them the most. She is very intriguing character and I would have loved to read more about her and her story. Serpell is a gifted storyteller, in fact this is very much like a novel of linked stories, looking at each family a woman covered, head to toe, in long flowing hair.
