Golden Age of Radio (album)

While listening to radio dramas may seem like something outdated, radio was the machine that turned oral stories — often told inside one family — to a magical form of entertainment for a whole population. But such common experiences were the very unlikely, yet basic common denominator that fueled the commercial possibilities of early Radio.

Golden Age of Radio

Others, however, disappeared from the airwaves. By signing up you agree to our This was true until at least the 1950s, and the only reason radio lost its big appeal was because it was, in a sense, substituted with something that looked a bit more like magic: the television. Even these artists were under strict supervision of the agencies, which usually had representatives present during the rehearsals and broadcast.

Tuning in to the end of radio's golden age, 50 years ago

. . Radio became the common experience that unified a diverse America, providing entertainment, news and information, which unified all Americans.
