Value Theory (Stanford Encyclopedia of Philosophy)

Exactly as the title indicates, as an introduction to value theory, this book has never been superseded by any other. But there is a fly in the ointment. The grocer valued the 29¢ more than the loaf of bread, and that is the reason he traded.

An Introduction to Russell's "The Value of Philosophy"

Traditional axiology seeks to investigate what things are good, how good they are, and how their goodness is related to one another. A worker in Malaysia gets a job on a dredger, which is digging out tin ore from the river.

An Introduction to Russell's "The Value of Philosophy"

But they are committed to claims about value, because they appeal to evaluative facts, in order to explain what is right and wrong, and what we ought to do — deontic facts.

Introduction To The Theory Of Value

Once in place, a system where everything is bought and sold strikes us as eternal and natural. This is a vital concept when we come to look at the dynamics of the capitalist system. Main article: It is useful to distinguish between and.
