Random Dynamic Resources is a frontline market research company providing field research services across Africa. The Journal of Social History publishes articles and reviews in all fields of social history, regardless of period and region. It also encourages discussions of key analytical and methodological issues, including comparative issues and issues of periodization.

**poisons et empoisonneurs célèbres**

Though many historians have tended to caricature slave resistance, the dynamic analyzed here confirms the willful agency of enslaved people. OUP is the world's largest university press with the widest global presence.

Compte-tenu de son extrême fragilité l'emballage n'était vraiment pas suffisamment robuste pour supporter un transport boîte en carton pas solide, et emballage intérieur trop sommaire. At the same time, planters' inability to come to terms with the perceived threat of poisoning undermined their demands for autonomy from the French state, and paved the way for a new metropolitan-colonial relationship. Oxford University Press is a

department of the University of Oxford.
