farmers is particularly effective in reducing poverty, more so than investments in other sectors. Going forward, we will continue to integrate our own programs to improve coordination and efficient delivery of agricultural services- specifically where this integration can leverage national and other donor resources and around state and federal government platforms for reaching impact at scale.

Energy Efficiency in Agriculture. Sector Guide

This article argues that the root of the problems of Indian agriculture lies somewhere else.

Agricultural Policy

Aspirants should try to cover at least this editorial on a daily basis to have command over most important issues in news. From UPSC perspective, the following things are important : Prelims level : APMC Act, ECA Mains level : Paper 3- Reforms in agri-marketing and amendment in ECA and APMC Acts.

US welcomes farm laws, says move will improve efficiency of India's markets

Policy rate reductions beyond the 110 basis points are already affected this year. Debt to Equity Ratio total ranking has deteriorated compare to the previous quarter from 24.

With three major agri

We invest in this sector because economic growth that focuses on agriculture and that increases the incomes of smallholder
