Siege of Leningrad

The largest lake is Sestroretsky Razliv in the north, followed by , Suzdal Lakes and other smaller lakes. On 26 January 1924, five days after Lenin's death, Petrograd was renamed Leningrad. In 1725, Peter died at age fifty-two.

Ленинград — Кабриолет

In 1728, moved his seat back to Moscow. Southern suburbs of the city feature former imperial residences, including , with majestic fountain cascades and parks, , with the baroque and the neoclassical, and , which has a domed palace of and one of Europe's largest English-style parks. Yes, we lived through hell right enough; but you should have been here the day the blockade was broken - people in the street wept for joy, and strangers fell round each others' necks.

Leningrad (band)

But there's no doubt about it: a worker stands up better to hardships than an intellectual. Another important feature of early Saint Petersburg literature is its mythical element, which incorporates and popular , as the stories of Pushkin and Gogol included ghosts returning to Saint Petersburg to haunt other characters as well as other fantastical elements, creating a surreal and abstract image of Saint Petersburg.

Leningrad (band)

In 2008 the first two berths opened at the on the west of the island.
