At the much-anticipated all-star première in 1700 of *The Way of the World*, Congreve's first comedy for five years, the audience showed only moderate enthusiasm for that subtle and almost melancholy work. Much of what we do know is his contributions to theatre. It brings into clear focus for those unfamiliar with these playwrights a neglected period of writing.

When attacked Congreve and Vanbrugh in his in 1698, he was confirming a shift in audience taste that had taken place. Jacobean plays were not centered on love as many of William Shakespeare's plays. This era features play wright such as, William Shakespeare, but the ones we are introducing are Ben Jonson, John Fletcher, and John Webster.
