Here's Why Some of Us Develop an Allergy to Sunlight

I don't even know what that means.

What Does the Sun Give Us? (5 Activities)

The Sun provides some animals and humans that feed on plants with food as it helps the plants to make its own food by. Behold, if it is true and the thing certain that this detestable thing has been done in Israel, then you shall bring out that man or that woman who has done this evil deed to your gates, that is, the man or the woman, and you shall stone them to death. Without the layer of ozone in the stratosphere to protect us from excessive amounts of UV-B radiation, life as we know it would not exist.

Sun

Ultraviolet also causes severe sunburn and skin cancer. They will learn that when humans eat animals that eat plants, the humans absorb the nutrients in the plants.

What Does the Sun Give Us? (5 Activities)

He did away with the idolatrous priests whom the kings of Judah had appointed to burn incense in the high places in the cities of Judah and in the surrounding area of Jerusalem, also those who burned incense to Baal, to the sun and to the moon and to the constellations and to all the host of heaven.
