Angles, Saxons and Jutes

Much of this preservation can be attributed to the monks of the tenth century, who made — at the very least — the copies of most of the literary manuscripts that still exist. This curious circumstance, consequently, comes before us in considering the Anglo-Saxon settlement of England.

Museum für Völkerkunde zu Leipzig: GRASSI Museum für Völkerkunde zu Leipzig

At a later period they were in close alliance, and unless there had been peace between them, it is not likely that a Saxon expedition to England would have been organized.

The Saxon House

Some German scholars identify the god of these people, called Heru or Cheru, as identical with the eponymous god of the Saxons, called Saxnot, who corresponded to the northern Tyr, or Tius, after whom our Tuesday has been named. Whilst not being reconstructive archaeology per se, there are clear theoretical and methodological similarities, and there is certainly no harm in using comparative analysis to generate questions and inform debate Gould 1978, 293.

The Saxon House

Some are as fair as the Scandinavians, while other, such as the Wends and the Czechs of Bohemia, are dark.

George Ellis Burcaw

No obvious damage to the cover, with the dust jacket if applicable included for hard covers.

George Ellis Burcaw

Central Europe is still mixed genetically and R1b population still lives in what used to be the Celtic heartland mixed with R1a and I1 and I2 population.
