TAX CODE CHAPTER 171. FRANCHISE TAX

Maintenance agreements and warranties The taxability of maintenance agreements and warranties sold along with tangible personal property is generally determined under the same rules as other associated service charges.

Taxation in South Africa

As with a travelling allowance, 80% of the fringe benefit is included in the taxpayer's remuneration, unless the vehicle is used for business purposes at least 80% of the time, then the percentage is reduced to 20%. In determining whether a unitary business exists, the comptroller shall consider any relevant factor, including whether: A the activities of the group members are in the same general line, such as manufacturing, wholesaling, retailing of tangible personal property, insurance, transportation, or finance; B the activities of the group members are steps in a vertically structured enterprise or process, such as the steps involved in the production of natural resources, including exploration, mining, refining, and marketing; or C

the members are functionally integrated through the exercise of strong centralized management, such as authority over purchasing, financing, product line, personnel, and marketing.
