Rare Bee in Chequamegon

Scoping Process This notice of intent initiates the scoping process, which guides the development of the EIS. Their first logging camp was located just west of where the present iron bridge crosses Eagle River on the approach to Hemlock Resort.

Catwillow Monarch Area

During Wisconsin's first fire protection period, the county covered one-half the costs, with the State picking up the remainder. .

Photograph of Laona Ranger Station Office

Logs were processed at the Phelps mill, after being brought in by company-owned railroads.

Ecologist

In 1860, Dan Gagen established a trading post on the banks of Pine Lake along the Military Road.
