Kommentar zur Schweizerischen Zivilprozessordnung ZPO 3. This is a very precious piece of information. Praktiker auf dem Gebiet des Gewerblichen Rechtsschutzes finden alles Relevante zu DesignG und GGV in einem einzigen Werk.

**Geschmacksmustergesetz**

It seems that the position of restitution for wrongs within the legal system cannot adequately be explained by mere infrasystematic analysis: legal comparison can help to clarify the general picture which, examined in the light of only a single legal order, can appear quite blurred.

Handbuch Medienrecht Recht und Wirtschaft, Frankfurt a. On the wilful alienation of an unduly received object, the first two sentences of Art. This purpose fits into the preventive function which the law of delict must exercise within the very delicate field of intellectual property rights which, as the German judiciary has pointed out, are extremely easy to violate, where the potential benefits of such violations are huge, and the potential risk very low.
