## Secret tactics of successful Army recruiters

Internships Completing an is an excellent way to get experience. PMF is a flagship two-year leadership development program for advanced degree candidates. And the final section lists sources for more information.

## Career planning for high schoolers : Career Outlook: U.S. Bureau of Labor Statistics

Our future depends on you. Doing so helps bolster both your college application credentials and your readiness for college-level study. If you know your goal is college, school counselors usually recommend taking the most rigorous academic classes your school offers—and those that you can successfully handle.

## Secret tactics of successful Army recruiters

The Naval Sea Systems Command, Washington, D. This contract was competitively procured with two offers received. No other branch can offer that.

## Secret tactics of successful Army recruiters

Other government career resources include , which helps you identify careers by keyword, industry, or interests and training. This could include taking technical courses during high school or, after graduating, attending a college or university to earn a certificate or a degree. At the end of the formal training period, the PAQ program offers a permanent position at AFCS in cybersecurity and IT.

## Military Occupational Specialty

The military police and corrections occupational field provides commander support by enforcing the law, preventing crime, preserving military control, investigating offenses, and apprehending offenders.

## **Military Occupational Specialty**

Knowing what type of career preparation you need begins with thinking about what type of career you want. But school counselors recommend that you have a plan to ensure that your time off is productive.
