## Yasir Sakr, The Subversive Utopia: Louis Kahn & the Question of the National Jewish Style in Jerusalem

Kyk 'n mens kyk die belangrike rol wat argitektuur - die beboude omgewing - in die daaglikse lewe speel, ontstaan die vraag waarom so 'n integrale deel van die mens se ervarings- en verwysingsveld so min aandag kry.

## International Advertising Association (1950

With the adequate tools, this philosophical and ideological gap can be bridged by encouraging productive communication and collaboration between the two fields. John Lobell, Between Silence and Light: Spirit in the Architecture of Louis I.

## Child psychiatric epidemiology

At this stage South Africa has only two magazines which exclusively focuses on architecture. What is implied about architects and architectural acts by the manners in which they did? With three of the epidemiology major Cold War fault lines-divided Germany, divided Korea, divided China, and divided Vietnam-East Asia acquired the dubious distinction of having engendered the largest number of armed conflicts resulting in higher fatalities between 1945 and 1994 than any other region or sub-region.
