## Family Planning, Contraception, and Abortion in Islam: Undertaking Khilafah

For instance, when marrying their eldest daughter, Sarah, the Siddiqs made sure she and her suitor were given an opportunity to speak with one another with moderated supervision before either side made a commitment. Doctor Javed Ahmad Ghamdi, another very prominent Religious Scholar of Pakistan, has a totally different view on the matter of family planning in Islam. Family planning in Islamic jurisprudence -- pt.

### Islam and family planning

These methods are not performed by the specialist through the procedure of sterilization. Thus what Imam Razi suggests is not only very correct but also enhances the importance of family planning in modern times as a small family can support better education and health services. The other type is Noristerat which prevents fertilization for nearly eight weeks.

### WHAT DOES ISLAM SAY ABOUT FAMILY PLANNING ?

We mention these facts to you, and ward off doubts based on illusion, so that we can introduce the Islamic ruling, first of all, and so as to highlight that everything that you mentioned in your question is not an argument that has any sound basis, because the Islamic ruling is far removed from what you mentioned in your question. Hassan Hathout and Maher Hathout, members of that Center, for their valuable comments on the original text of the speech. Williams School of Law at the University of Richmond, and a travel grant from the University of Richmond.

### Family Planning In Islam

Rather, Muslim scholars should make their position clear to other Muslims by appealing to legitimate jurisprudential principles, such as those listed earlier. In Islam, a wife Companions. As a family, the Siddiqs are planning to visit Pakistan next year for a big reunion with their Pakistani relatives after many years.

### Islam Family Planning

Narrated by al-Bukhaari 5208 and Muslim 1440.

## **Family: The Building Blocks of Society**

Indeed, I can hardly cope with the great demands placed on me. After studying the research papers presented by council members and experts on the topic of family planning, and listening to the discussion that took place on the topic, And based on the fact that one of the aims of marriage according to Islamic teaching is to produce children and preserve the human race, and that it is not permissible to undermine this aim, because undermining it is contrary to the texts of Islam and their teachings which call for having a lot of offspring, protecting them and caring for them because protecting offspring is one of the five holistic principles that are promoted by Islamic teaching. The council determined the following: Firstly: it is not permissible to promulgate laws restricting the freedom of couples to have children.

### **Is Family Planning Allowed in Islam?**

Also, please note that the Shi'i schools of ijtilihad are many, and their ijtilihad tradition is very rich and varied.
